

Super Premium DTF Film - Haining Comax New Material Co., Ltd.

DTF Transfer Sheet – 100µm Double Sides Coated DTF Transfer Film 14" × 16" Sheet Matte Finish

	<h4>Description</h4> <p>Our DTF Transfer Sheet products are manufactured to the highest standards and designed to last in the toughest conditions. We use only the best materials and advanced technology to ensure that our products are superior quality, offering superior performance and excellent value for money. Our DTF Transfer Sheet solutions are available in various sizes and colors, allowing you to customize your products to match any project. The process of using a DTF transfer film is straightforward. First, the design is printed onto the DTF Transfer Sheet using a particular printer. Then, the film is placed onto the fabric and heated with a heat press. The design is transferred onto the fabric, producing a vivid and durable print.</p>
